

LEMON GROVE REVIEW

Vol. 10; No. 24

LEMON GROVE, CALIFORNIA

THURSDAY, JANUARY 30, 1958

10¢ Per Copy

The Dimmer VIEW

BY MAX GOODWIN

Beth Bennett, head gal in the head office at the Department of Motor Vehicles took on the leadership this year of the March of Dimes. Locally it is headed by real estate man Charlie Krause.

Beth and I have battled about DMV policy hard and long . . . and we still do, but each of us has a healthy respect for the sincerity of the other, and additionally, I have an even healthier respect for her battling ability.

On one thing we agree. She is doing a whale of a job at the top of this year's polio fund drive. Thus, I was not surprised when I heard Beth was giving away a brand new automobile following the Mother's March. She had talked some anonymous donor into giving the car. She asked each of the mothers who made the march to write their name and address on the envelope in which their collections were to be forwarded. These envelopes were put in a barrel and the one lucky worker will be drawn Friday.

With the vision of a new car's headlights gleaming over the horizon Lemon Grove mothers marched in with \$1,072.10 on a record breaking swing around the community, thanks to the contributors, the mothers and particularly to Mrs. Bennett.

Mothers who normally make the March are dedicated souls and would probably make the march anyhow but Beth had added a flip that revitalized the campaign.

What a gal!

I once worked with a man who believed unconditionally, that two weeks was long enough to borrow anything. He made a habit of sending notes to persons who borrowed his books stating that more than two weeks had passed and that another person had made him a better offer; that of borrowing his books for only ten days.

In such light marketman Paul Hendricks sent us a note this week asking aid. He let a friend borrow his tool kit, complete with thread cutting tools and dies, pipe cutters and boasting even a power motor. He let Ole' friend have them more than a year ago.

Obviously, this was a good (Continued on Page 12)

Loss of Federal Funds Would Increase School Rate 42c

Monday evening the Lemon Grove School Board adopted a resolution supporting continued Federal Aid for this district. Public Laws 815 and 874 which provide additional funds for schools in "impacted" areas may not be included in the Federal budget now under consideration in Washington, and this loss would work a tax burden on Lemon Grove.

During the time that it has been in operation Public Law 815 has supplied Lemon Grove with about three quarters of a million dollars for building purposes, and during this past year, Lemon Grove, under Public Law 874, received \$67,000 for operating expenses.

Lemon Grove has 25 per cent of its student enrollment from homes which are connected in some way with a federal instrumentality. To replace the monies now supplied under the present law, the school district would need a tax increase of 42 cents. Practically all of San Diego County and City would be similarly affected by elimination of the Federal support. Several educators are testifying before Congressional committee in hope of retaining the school income here.

In other business at the January 27 meeting the board approved the purchase of drapes and a speaker system for the Palm Avenue School, employed Dewey E. Austin as inspector for the San Altos School project, and gave approval for a summer school program. The details of the summer session will be approved at a later date.

BEAUTY AND THE JAYCEES — Lemon Grove Junior Chamber of Commerce members marked the start of a membership drive by erecting a billboard on Broadway next to MacMahon's Furniture Store.

On hand as the last gob of glue was splatted on the board to hang the sign which Jaycee president John Englestad is pointing was Jean Ingels who is Miss Jaycee Week 1958, and Joe Payson, a spark-plug in the local Jaycee motor.

— Tappy Foto

Sees Traffic Lights Blinking In May

Advertisement for bids for installation of traffic signals at Broadway and Imperial will be run in the San Diego Union next week according to Paul Fowler, traffic engineer. The lights were originally scheduled to be turned on in February but under the present arrangement the job must be advertised 30 days, ten days will be allowed for contractors to bid and 15 days allowed for the successful bidder to start work.

Entire installation will be on the east side of the railway tracks.

Lights will probably start blinking early in May says Fowler.

Tim Stone, 86, Succumbs

Tim Stone, 86, of 6657 Brooklyn, Encanto, died Sunday at the home of his daughter, Mrs. Johnny Warner with whom he lived.

Stone had lived in the Lemon Grove and surrounding area for 23 years and held a life-time paid-up membership in the Masonic Lodge No. 384, of Padin, Oklahoma.

Services were held Tuesday followed by burial in Mt. Hope cemetery.

Survivors include Mrs. Warner who is wife of a Lemon Grove barber; and four other daughters. They are Faye Partis, of San Diego; Trixie Davenport, of El Cajon; Lennie and Neallie Cowan, both of Oklahoma.

PRETTIEST RAINBOW — "My Golden Star of Destiny" is the theme chosen by Miss Sharon Sanders, senior at Mt. Miguel High School and daughter of Mr. and Mrs. Jack Sanders of Lemon Grove, who will be installed as Worthy Advisor of Assembly No. 172, Order of Rainbow for Girls, in open ceremonies at La Mesa Masonic Temple Saturday evening at 7:30 p.m., followed by a reception and dance in the social hall. Installing officers will consist of Penny Estes, retiring worthy advisor; Carlene Olsen, chaplain; Jackie Lairsey, marshal; Judy Barrett, honorary marshal; Joann Wetterskog, recorder; and Mary Sue McMahon, musician. Tom Parsons, past master of Lemon Grove Lodge No. 736, will act as master of ceremonies, assisted by Wm. E. Rife, past master of the Grand Lodge of California, who will give the invocation. A delegation of DeMolay members will serve as escorts for the following corps of officers to be seated with Miss Sanders: Nadine Westcott, Aida Anderson, Celeste Loustalet, Carol Broadway, Joy Swanson, Anne Pelczar, Lana Jacquith, Lynne, Tristram, Sherry Pappas, JoAnn Zyrek, Brenda Broadway, Judy Austin, Maxine Boyle, Kathy Sileneck, Frieda Taylor, Loxie Johnston, Sharon Davy, Donna Heim and Janice Ladnier.

SCOTT OFFERS THIRD OF PRO COST

Do It Yourself Incorporation Gets Chamber Eye

MUST PAY FOR POLE REMOVAL SAYS SDG&E

The San Diego Gas and Electric Company this week rejected a request by local residents to remove the utility pole planted in the parking apron in front of the Lemon Grove Post Office.

Representing SD G&E were Lloyd Wall, manager of the eastern division from the downtown office.

The said that they have been negotiating with representatives of Lemon Grove (Chamber of Commerce for two years and at one time an \$830 price tag had been established as the estimated cost of the work. "Additional installations will make the cost higher now," Wall said. "And the chamber should hold preliminary meetings to clear the atmosphere so that SDG&E rights-of-ways may be acquired in a spirit of cooperation," Wall said.

Present for the meeting which was held in the office of the Lemon Grove postmaster Frenchy Faucher, were Jack Holt, owner of a corner lot at Grove and Broadway which SDG&E engineers said might be used for setting in a guy wire stub; Faucher, chamber director; Ernest Newton, president of the chamber, and Sheridan Hegland, 77th District Assemblyman who had heard of the hassle via reprints of LEMON GROVE REVIEW editorials in other county newspapers.

SDG&E position is that the utility firm would do nothing as long as a protest existed with the California Public Utilities Commission.

Robert Vaught, Lemon Grove businessman had mailed a copy of an editorial appearing in this newspaper to the Public Utilities Commission asking for aid in getting the SDG&E to remove the pole at their own expense because it created a hazard for shoppers.

Wall said that it is customary to wait until PUC gives some official notification of such a complaint before the utility will try to resolve it.

Meanwhile, John M. Cox, representative of the Public Utilities Commission in Los Angeles visited Lemon Grove last week. He interviewed principals involved in the complaint.

Wall admitted SDG&E had requested the PUC in investigate. The same week an unidentified motorist hit the guy wire which anchors a pole connecting to the post office pole and one of the wires snapped. SDG&E said it was a "neutral" wire which fell. No one was injured.

Wall said Monday that neither of the two wires connecting the poles is "live". A SDG&E foreman said the week before that one of the wires was "hot".

E.C. Police Pick Up L.G. Man As 'Most Wanted'

A Lemon Grove man was picked up by the El Cajon police Monday night and charged with forgery.

The man, Daniel Donald Westerfield, 43 was arrested at his home at 3727 Citrus Street.

According to Detective Frank Lecomte, police picked up Westerfield when the compared a payroll check said to have been forged by him with another forged one turned over to El Cajon police three months ago.

In his possession Westerfield had a check protection device, a typewriter and three books of pay-type checks with the names of construction firms printed on them.

Sixty three of the checks apparently had been used.

Police teletype information indicated early Wednesday that at least 12 California cities wanted the man for questioning about forged checks.

Lecomte said that Westerfield would qualify as the most wanted man in the state.

\$470 Offered For Dog Poisoner's 'Head'

Because of the recent dog poisoning in the Spring Valley area, a number of persons and organizations have banded together and offered a reward of \$470 for the arrest and conviction of the guilty person or persons.

The move was instigated by Mrs. A. Torkildson of 4035 Bancroft Drive, Spring Valley. Anyone caring to join the movement may call Mrs. Torkildson at HO-65198.

Here are the donors to date: Humane Society, \$100; Dog Protective Association, \$100; S.P.C.A., \$100; "Dog World", Will Judy, publisher, \$50; Dr. Fred Sherman, SV veterinarian, \$25; Halle and Albert Torkildson, \$10; Anna and John Butler (Surcek Samoyeds), \$10; Samoyed Club, \$10; Pomeranian Club, \$10; Virginia and George Miller, \$5; Tresser's Market, \$5; Cherie Marshall, \$5; Mission Valley Kennels, \$10; Helix View Boxers, \$10; Mr. and Mrs. Charles Marck (Marck Motors, El Cajon), \$10; Mr. and Mrs. Orville Fournier, \$10.

Mrs. Torkildson said there are still several other Breed Clubs to be heard from.

Frank L. Bryan Dies At 72

Funeral services were held in Greenwood Parlors Monday morning for Frank L. Bryan, 72, of 10031 Challenge Boulevard, La Mesa, who died in an El Cajon sanitarium January 22, after a long illness. Burial was in Greenwood Memorial Park.

Born in Kansas, Bryan had lived in the San Diego area about 23 years.

Besides his widow, Vivian, he is survived by two daughters, Mrs. Helen Shadinger of Spring Valley, Mrs. Jaunda Hawkins of Spring Valley; two sons, Donald H. of Lemon Grove, a deputy sheriff, and Sam J. of El Cajon; two sisters, Mrs. Ruth Packett and Mrs. Jessie Bolton, both of Oklahoma; 15 grandchildren and one great-grandchild. A brother Ralph, a former variety store owner of Spring Valley, died in 1954.

A move to protect its amateur standing in the business of putting an incorporation referendum before the citizens was being studied this week by the Lemon Grove Chamber of Commerce.

The chamber, meeting now every Thursday at noon at Michael's until machinery is put into motion for incorporating Lemon Grove into a sixth class city, is currently studying do-it-yourself plans.

Chamber directors, already under the injunction of their own committee to take necessary steps to bring incorporation to a vote, had been studying a plan by a professional firm of Long Beach. This firm headed by John Johnston, who has successfully incorporated six other California communities, set a \$25,000.00 price tag on the work.

George Scott, president of the Walker Scott Co., and director of the Lemon Grove Chamber of Commerce offered to absorb "a third of the cost" of the expenses if "professional help is acquired" to do the complete job. He put no limit on the total he would share in.

Ernest Newton, chamber president said the directors are presently studying ways chamber members might give assistance to reduce the \$25,000 estimated cost. He said that the chamber might undertake the entire job without professionals if the board could be assured of wholehearted community support.

Meanwhile, members of the chamber and other interested persons are circulating petitions of a straw-poll nature to evaluate the enthusiasm for incorporation.

Newton said a goal of 1,000 signatures is expected to be reached by the February 6 meeting.

A thousand signatures, he said, would be adequate assurance that enough enthusiasm is present in the community to form a nucleus from which a poll of workers might be drawn.

Baptists To Choose 'Sweetheart' of 1958

A Sweetwater Banquet will be held by the First Baptist Church of Lemon Grove February 14 in the church dining room.

At the banquet, a couple, chosen as "Sweethearts" will be revealed. They will have been chosen by secret ballot and will reign for a year.

Councilman Nagel Says L.M. Ready To Help Grove

Miles Nagel, La Mesa City Councilman and former mayor of that city told the Men's Club Friday that his city would stand ready to help Lemon Grove with services as a corporate city, under "unification" or via improvement acts.

He said he preferred the term "unification" to annexation because annexation sounded like somebody taking something over.

"We would expect to be partners in such a venture and I prefer the word 'unification,' he said.

Nagel said that he had heard rumors that La-Mesa wouldn't consider a Lemon Grove annexation and he wanted to put the rumors down.

"We will help you achieve whatever form of government you attempt. You are now talking incorporation. If you are seriously interested in incorporating, our city officials will do everything in our power to assist," he said. The city council had appointed Nagel to invite Lemon Grove and Spring Valley to annex to La Mesa.

Nagel said privately that he had not personally extended an "unification" invitation to the Lemon Grove Chamber of Commerce because Charlie Ross, San Diego Union reporter had written and filed his story so fast that it appeared in print before he (Nagel) could get in touch with the Lemon Grove body. He said that such invitations might be better not given formally than to be given late.

Nagel said that the city council has directed the city attorney to study the legal aspects of increasing the size of the council

to give representation to the Lemon Grove and Spring Valley areas should they join.

Nagel told the club that if incorporation of Lemon Grove is their goal, La Mesa is willing to contract some public services until the community is financially able to supply its own.

If a decision to annex to La Mesa is reached, the \$1.58 tax rate in La Mesa would not be increased to provide services now supplied La Mesa residents, he said. Sales taxes and state subventions would prevent a tax increase, he said.

"The city of La Mesa hasn't worked out any detailed plans for an annexation but this could be done if Lemon Grove citizens are seriously interested," he said.

This week, a Lemon Grove man, Ned S. Sewell, of 8101 Mazur Street will be speaker. Sewell is director of San Diego Junior Achievement and this is Junior Achievement Week.

Nelson Gets Nod From Boosters

Earl Nelson, manager of The Highlander in Lemon Grove was elected president of the Lemon Grove Boosters Club last week.

Mrs. Barbara Howell was re-elected treasurer with the added duties of secretary. The Boosters is the merchants division of the Lemon Grove Chamber of Commerce. Two projects are being eyed currently. One is a Pre-Easter promotion in which all local business firms may share, and the other is a Kiddies Pet Parade.

TO WED — Mr. and Mrs. William Kratz of 2161 El Prado Avenue, Lemon Grove, announce the coming marriage of their daughter Constance Grace Kratz to Richard Wayne Secor, son of Mr. and Mrs. Edward Secor also of Lemon Grove. Both were graduated from Helix High School. Miss Kratz was Miss Lemon Grove Fairest of the Fair in 1956. The wedding will be at the Christ Evangelical Lutheran Church, La Mesa, February 14. The Valentine theme will be carried throughout. After a brief honeymoon in Mexico they will reside in La Mesa.

Netzley Named To Governor's Youth Group

SACRAMENTO. (Spcl) — Governor Goodwin J. Knight named Lemon Grove Elementary School District superintendent Byron Netzley to the California Conference on Youth Participation in Community Affairs for February 11 and 12.

In sending out invitations, the Governor said there is great interest in the conference about the State and that: "We will explore fully the broadening of opportunities for youths and advancing their general well-being and fitness."

Many young people have been invited and some of them have helped prepare working papers for the small discussion groups which will convene after Governor

nor Knight's address at the opening session. The youths are expected to join with adult delegates in talking over problems of the younger generation.

Conferees are being asked to choose the discussion category in which they would like to be included. Major topics are: The Family, The School, The Church, The Job, The Motor Age, The Juvenile Offender, The Community, Youth Accomplishments, and Fitness for Everyday Living.

Each group will consider ways young people may participate more fully in community life.

Water Economists Jobs Open

Increased population and greater problems in water conservation and distribution have intensified the need for economists to study the State's water resource projects. To meet this demand, the State Personnel Board has scheduled examinations for Associate Economist, Department of Water Resources, for March 15. Applications are being accepted until February 21.

The positions require college graduation and three years of technical experience in economics and statistics including or supplemented by a year of experience in studying the economic value of water resource projects. The salary starts at \$613, with raises to \$745. Promotion is to the successful levels of senior and supervising economist in the Department.

Full information and applications are available at the State Personnel Board in Sacramento, San Francisco and Los Angeles.

★ Anyway, the fellow with his nose to the grindstone isn't sticking it in somebody else's business.

INSTALLATION — Here are some of the notables who took part in the installation of officers of the Lemon Grove Chamber of Commerce last week at Michael's. Left to right are Ernest Newton, newly installed president; W. Earl Smart, retiring presi-

dent; Robert L. Black, president of the San Diego Chamber of Commerce, installing officer; George Scott, speaker of the evening and Rt. Rev. Msgr. John McDonagh, who gave the invocation.

— Tappy Foto

EMPLOYERS MUST FILE BY MID FEBRUARY

Robert C. Kirkwood, chairman of the Franchise Tax Board, today reminded California employers that they must file information returns with the Franchise Tax Board on or before February 15, 1958.

An information return, Form 599, must be filed for each single employee who was paid \$2,000 or more and each married employee who was paid \$3,500 or more during 1957, Kirkwood said.

The Forms 599 must be accompanied by Form 596 and filed with the Franchise Tax Board by Saturday, February 15. Further information may be obtained from the Board, 1025 P Street, Sacramento 14.

Opens Center

Dr. Kent

Howard R. Kent, M.D. said this week that he will open his office for general practice of medicine in Casa de Oro soon in the new Casa de Oro Medical Center at 9881 Campo Road.

Dr. Kent is a graduate of U. of Utah Medical School and he had hospital training at the San Joaquin General Hospital at Stockton. He also practiced four years at Weed General Hospital at Weed, California.

He served as Lt. Commander with the Marine Corps at Camp Pendleton and then entered private practice in Rivera, California.

Dr. Kent said the medical center building will eventually house other medical and dental suites, a drug store and a retail shop-

ping group.

The present medical building will include x-ray, laboratory and physical therapy services. Architect was Carl Hotten, A.I.A. Aiding in its construction were friends, relatives, and local sub-contractors.

Dr. and Mrs. Kent reside at 10317 Ramona Drive, Spring Valley and have five children. A daughter Barbara Jean 15 years, at Grossmont High School, a daughter Sydney 14 years at Mt. Miguel High School, a son Howard Roy 12 at Spring Valley Junior High School, a son Maughan 8 years at Casa de Oro Elementary School, and a son Tawn Morgan Maughan 3 years at home.

"LOVE" TOPIC OF LESSON-SERMON

The great tenderness and care of God as Love, and of Christ Jesus' life of unselfed healing and redemptive love, is emphasized in the Lesson-Sermon, on "Love" in all the Christian Science churches on Sunday.

The healing by Jesus of the centurion's servant is an important section of the Lesson-Sermon. Matthew records the incident which concludes with Jesus' instruction: "Go thy way; and as thou has believed, so be it done unto thee. And his servant was healed in the selfsame hour" (8:13).

Peanut Sales Going Good For Camp Fire Girls

With less than a week of selling behind them and with the sale continuing until Saturday, San Diego County Camp Fire Girls feel they have a good chance of exceeding their goal of 120,000 cans of peanuts. The fine weather and a greater than usual enthusiasm have got the sale off to a good start. Another week of such weather and the girls will hope to have sold all the peanuts on hand.

This year's goal of 120,000 cans is the most ambitious yet. Last year's total sales were just over 103,000. Proceeds will go for capital improvements at the Cuyamaca camp and Balboa Park day camp site.

Camp Fire Girls participating in the sale will be eligible for awards on a group basis. The emphasis is on teamwork so that every group may meet its goal. Certificates of Merit will be presented to every member of every group which reaches its quota of 48 cans per girl.

At the district level, the San Diego Council will provide special award ribbons which will be

presented to the Camp Fire Girls, Blue Bird and Horizon Club groups in each district which have the highest average sale per girl.

ANDREW FAMILY MOVES AWAY FROM FREEWAY

The Ray Andrew family has moved. They were ousted from their home at 3741 Grove Street by the proximity of the new freeway and took up residence at 4541 Toni Lane in Rolando.

With Ray moved his wife Lilian, and two sons, Robert and Ray Jr. Ray Sr. is well known for his long association with the Lemon Grove Hardware.

SV-LM School District Unification Study By Citizen's Committee

Unification principals are being studied by a Citizens Advisory Council committee of the La Mesa-Spring Valley School District, according to word received last week from the district.

A unified district, it is pointed out, is a school system which includes grades K-12 under a single administration. Generally there are five types of district organizations: K-8 or kindergarten

through 8th grade; K-6 or kindergarten through 6th grade; 8-12 or high school district encompassing junior high grades; 9-12 or a "regular" high school district; and K-12 or a unified district. The La Mesa-Spring Valley School District is a K-8 elementary district.

On December 5, 1952, the LM-SV District held an election to try to establish a unified system within its boundaries. The measure was defeated. On the same day the Lemon Grove School District held a similar election, and it also was defeated. Between 1953 and 1956 there was much discussion on the subject of possible patterns but no definite action was taken by the LM-SV District or neighborhood districts.

Early in 1957 the County Committee on School District Organization was officially requested by the Cajon Valley Union School District (seconded by the Lemon Grove School District) to study the possibilities of reorganization within the Grossmont Union High School District. The request was made during public discussions connected with the possible for-

mation of a junior college district. It was the decision at that time to postpone official consideration of the request for study of district organization until such time as the junior college question was settled.

Several studies are now in process by various groups. Among these is the La Mesa-Spring Valley C. A. C. committee. The local group, headed by Mrs. Ernestine Faine, is not attempting to determine plans for local reorganization, the district report pointed out. It is surveying unification as a broad pattern of school organization, so that when, and if, proposals are made, the group will have a sound background of information which can be of assistance in helping to reach decisions for action.

Heads of the district are under the impression that a severe blow to the district's educational program could result from enactment of proposed legislation to curtail or eliminate Federal Aid to school districts. Superintendent Glenn Murdock of the LM-SV School District, warned last week that "it would require an additional 23 cents local tax to replace operation funds which would be lost if Public Law 874 was cancelled. This would be catastrophic and every effort should be made to keep the present law in operation."

Physics Class Attracts Adults

Twenty-five people registered Monday night for a newly opened class in physics offered by Grossmont Adult School. Taught by Edgar Kintzele, Grossmont High School science teacher, the class meets two hours each Monday evening and for a three hour lab session on Wednesday in room 54 at Grossmont.

"The large enrollment is a trend of the times," said John W. Davis, Adult School director. The class began as a result of a petition signed by 12 members of an advanced math class and is the first such class to be offered by the school. There are ten veterans registered and three women. Average age of the students is 25 years.

Grossmont Adult School keeps two math courses in top enrollment. Refresher math, taught by Grossmont math instructor George Bazik, has 32 members. Advanced math which consists of algebra I, II, geometry and trigonometry register 25 people and is taught by Gerald Davidson of the Mt. Miguel math and science departments.

Five Meetings Set On Avocado Feeding

The University of California Agricultural Extension Service will hold five field meetings this week on the subject of Avocado Fertilization, according to Farm Advisor Don Gustafson.

The discussions will include fertilizer materials, both organic and inorganic types; influence of water on fertilization; nitrogen-phosphorus-potassium needs; micro element requirements; and latest fertilization recommendations.

Meetings will be held at the following places:

Wednesday of this week, at 10 a.m., in the L. L. Bucklew orchard, San Marcos Road at Seeman Drive, Encinitas; at 2 p.m. in the W. W. Bower orchard, San Pasqual Valley Road, East of Summit Drive, Escondido; this Thursday at 10 a.m., in the W. Miller orchard, East Vista Way at Ormsby, Vista; at 2 p.m., at the Yarnell Ranch, Winterhaven Road, east of Green Canyon Road, Fallbrook.

This Friday at 10 a.m. in the Walter Averett orchard, South Tropic Drive, La Mesa.

The Extension Service invites all interested persons to attend.

L.G.W.C. Card Party Set For Tuesday

The Lemon Grove Woman's Club midwinter luncheon and card party will be held at the clubhouse at 12:30 Tuesday.

Chairman and co-chairman of the event are Mrs. Thomas Duffner, Sr. and Mrs. Roe Rogers. They will be assisted by Mme. A. P. Schnell, O. R. Patterson, J. F. Gillespie, Anthony Codina, M. N. Black, Servano Sanchez, L. D. Newton, Mary Lachien, E. L. Du Chemin, Hal Crow and Nellie Sanders.

Yes, Kiddies, Money Does Grow On Trees!

The three Gramoy girls; Peggy (left) Vicki (center) and Beth right are ready to harvest the "Money Tree" crop, as mother looks on approvingly.

Who said neighborliness is a thing of the past? It surely wasn't at the Johnnie Gramoy family of 8769 La Mar Street, Spring Valley. They love their neighbors and their friends love them. Besides papa Johnnie, there's mama, Vivkie and three daughters; Beth 12, Peggy 9, and Vicki 7.

In August of 1955 the Gramoys started to build their home, high atop Bancroft Point. And it seems the entire group of neighbors had their eyes on the progress of the construction, being executed by the Gramoy family and a friend of theirs living in San Diego.

Then a short time ago 12-year-old Beth Gramoy, unbeknown to her parents, got together with two neighboring families, the G. B. Aykroyds of La Mar Street and the J. W. Ethettons of Highlands Boulevard. The group planned a surprise house-warming on

the Gramoys, as soon as the house was near its completion.

Meanwhile, Beth had a difficult time getting the phone book out of the house to check on the neighbors' phone numbers. She even got in touch with friends and relatives in the Los Angeles area and in other parts of San Diego County.

Then on the evening of January 18, the Gramoys had just finished supper when "out in the yard there rose such a clatter, they sprang to their feet to see what was the matter."

No, it wasn't Santa Claus, but as it turned out it was his equivalent. Some 40 neighbors were coming down the driveway singing "Hail, Hail, the Gang's All Here."

Then in through the front door they came, each with something in his hands; chairs, food, punch, cakes and everything that goes toward making a house warming a success.

The Gramoy family (all except Beth) could hardly contain itself such was the surprise. The biggest surprise though, came a

Lemon Grove (Calif.) REVIEW
January 30, 1958 Page 3

moment later. From out of nowhere, and placed on the kitchen table came . . . of all things . . . a money tree. Mrs. Gramoy, on seeing it, almost burst into tears. There was a lot of that green stuff "growing" out of each branch . . . \$100 in all. And just to make it more exciting, Beth had placed a bill of large denomination (stage money) along with the other bills.

A short time later Mrs. Gramoy's brother and wife, Mr. and Mrs. Nick Cristie from Torrance, Calif., came in.

"It is something we'll long remember," said Mrs. Gramoy last week.

ED KOTERBA
Reports from Washington

JOHNSON BACKFIRE.

For weeks, Sen. Lyndon Johnson of Texas, Democratic leader in the Senate, received tremendous publicity on his investigation into the "lag in missiles."

He paraded the highest brass from the Pentagon before his preparedness committee. Their testimony pointed to ill-planning of recent years — a direct reflection against the Republicans.

Well, before the investigation started, Johnson pledged there would be no politics played in this probe. Nevertheless, the sen-

ator's Democratic colleagues capitalized on the disparaging testimony and started lambasting the Republicans.

Then what happened? Evidence was produced that showed the missile slowdown was the fault of President Truman's administration.

Moreover, Republicans pointed out that Johnson's military "watchdog committee" had been in existence since 1948.

So, they're saying: "Johnson's watchdog committee failed to foresee the missile lag."

The senator's retort: "We must measure responsibility in terms of what is done for the future rather than what was done in the past..."

It looks like the military preparedness issue may not be as strong against the Republicans as was earlier expected.

ADAMS GOOFS AGAIN.

Presidential Assistant Sherman Adams played right into the hands of his critics who have been snidely saying that he — and not Mr. Eisenhower — is running the White House.

This was in his Minneapolis speech January 20 when he condemned Democrats for failures in national security while at the very same time, Mr. Eisenhower was asking his Chicago audience not to make a political pawn out of security.

The speech showed up the stupendous authority Adams enjoys in the White House — an authority that permits him to publicly

override the policy of the President of the United States.

MILITARY NOTES

The sensational "Polaris" missile, still undergoing preliminary tests, is said to be the hottest rocket so far produced by this country... The "Polaris" can be fired from beneath the surface of the ocean from submarines.

Atomic-powered subs, which now take more than three years to construct, will soon be built under an 18-month schedule...

WHAT IS SAGE?

You'll be hearing plenty about SAGE — semi-automatic ground environment — in the months to come. It's a warning system designed to speed up detection of enemy aircraft.

SAGE will be operated from 36 secretly located specially built buildings loaded with electronic computers. Circuits will connect these sites with special radar equipment and our air bases.

Should an intercontinental missile be heading this way, the computers would spot it almost instantly, and in a few seconds have all the information needed by our interceptors.

Congress has appropriated \$30 million for this project.

BENSON'S PHILOSOPHY

The thinking of Agriculture Secretary Ezra Benson on federal support for the farmer is wrapped up in this one sentence, spoken before the Senate agriculture committee...

Benson, meditatively twirling a long yellow lead pencil, said calmly: "I think it's up to the government to decide how many people should be in the farming business..."

AMBULANCE NEEDED?

Now that four members of Congress died within two weeks in January, there is talk Capitol Hill may soon procure a full-time standby ambulance.

The latest victim, Rep. Lawrence Smith of Wisconsin, was stricken in the House restaurant and lay on the floor 18 minutes before an ambulance arrived from downtown... Had an ambulance been available 15 minutes sooner, some persons believe, Smith may have lived...

MISCELLANY.

The Agriculture Dept. is asking for several hundred thousand dollars for research to help improve the quality of nuts.

Court Teresa To Give 'Model Your Own' Style Show

A "you model your own" desert-fashion show, entitled "Sew and Show," will be given on St. Patrick's Day, March 17, 1:30 p. m. by Court Teresa of Avila, Catholic Daughters, at the Lemon Grove Woman's Club house, 28-10 Main Street. Court members, their children, as well as members of Junior Court Teresa of Avila Catholic Daughters, will model their own creations. Many varieties and types of clothing are expected, said Mrs. John Korita, fashion show chairman.

Refreshments and decor will be along the theme of St. Patrick's Day. Children and teenagers are especially invited to the affair. Chairman for "Sew and Show" are as follows: Mrs. Korita, general chairman; Mrs. John Devlin, refreshments; Mrs. Wayne Bernier, program; Mrs. Robert Goodbody and Mrs. Thomas Ward, music and adult fashion coordinators; Mrs. J. H. Foulting, publicity; Mrs. Don Butterfield, junior fashion coordinator; Mrs. Joseph Damberger, clean-up; Mrs. Ralph Mulrey, tickets; Mrs. John Bettencourt, decorations; Mrs. E. LaTulippe, dining-room hostess; Mrs. Peter Shea, commentator. Mrs. Roy Williams is court Grand Regent.

Tickets and reservations may be obtained by calling Mrs. Mulrey at HO 9-1509, or Mrs. Albert Bolshazy at HO 6-7065.

VLM CHRISTIAN CHURCH TO HOST L.A. GROUP

Vista La Mesa Christian Church will be host to a group from All Peoples Christian Church and Community Center of Los Angeles next Sunday evening. A quartet will sing for the fellowship period in Fellowship Hall at 6 p. m. and the group will visit departments during class sessions at 6:30. The quartet will sing again during the worship service at 7:30, when the Rev. Kay Kobun shows colored slides of the work of All Peoples.

An average of about 150 people have attended the previous four sessions of the World Friendship School.

Founders Day Attracts 800

President Mrs. R. E. Higgins, Mt. Helix Council was announcer at the recent Founder's Day luncheon, at the U. S. Grant Hotel. Mrs. Jens Huchens of LaMesa Elementary P.T.A., took the part of "Grannie" and gave "Parade of Memories" of P.T.A. and fashions from the beginning of P.T.A. in 1897. Modeling the fashions were Mrs. E. J. Savoy of 9th District; Mmes George Birch,

Donald Maydeck and Howard Linke of La Mesa Dale P.T.A.; Mmes Bernarr Young, Robert Wilken of La Mesa Elementary P.T.A.; Mmes Walter Rice and Wilson Hubbell of Lemon Avenue P.T.A.; Mrs. A. J. Long of Golden Avenue P.T.A.; Mmes Donald Burnworth and John Damata of Monterey Heights P.T.A.; Mrs. Frank Armstrong of Palm Ave. P.T.A.; Mmes. Paul Nystrom and Roy Houston of Rolando P.T.A.; Mrs. John McKee of Spring Valley P.T.A.; Mrs. Ray Bullock of Vista La Mesa P.T.A.; and Mmes. Donald Grasier and Irene Red-

ding of San Diego. Mrs. Jos. Thomas, District Music chairman, was the accompanist. In attendance were 800 San Diego County School administrators, principals and P.T.A. presidents, Founder's Day unit chairman and other members of P.T.A. throughout the county. Mrs. Billy Fleming, District Publications and Emblems chairman was the overall chairman.

☆ When a man is wrapped up in himself the package is usually pretty small.

Wilson Promoted

By Southland Savings

John A. Davis, president of Southland Savings and Loan Association, today announced the advancement of Robert C. Wilson from assistant vice-president to vice-president. Mr. Wilson has been manager of the Lemon Grove Branch since it was established. He formerly served as assistant secretary of the association at the La Mesa Office, following an earlier connection in banking.

CANDIDATE

SHEARER

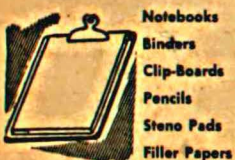

William K. (Bill) Shearer said last week that he will be a candidate for State Assemblyman in the 77th District this year. Shearer, a La Mesa Republican, polled over 48% of the votes in 1956 against the Democrat incumbent.

Petitions circulated among Republican leaders in the district showed almost unanimous support among Republicans for Shearer's candidacy. Several Democrats and some previous supporters of the incumbent also signed the petitions, Shearer said. "I have also been approached by a substantial number of Democrats from communities in the district who feel that they do not now have a representative, and who are willing to support my candidacy."

"The formula of Republican organization, Democratic and independent support, and the large number of civic leaders urging my candidacy is the kind of combination which means election victory," he said.

Shearer made his formal announcement of candidacy at a meeting of the Republican County Central Committee. He has served as the committee's executive director for over a year. During that time, he has had charge of the GOP precinct program in San Diego County. Shearer said he will resign as executive director and begin his active campaign on February 1.

Shearer told the Central Com-

Square Dance News . . .

FRONTIER SQUARES

A beginners class for adults will be started by the Frontier Squares Tuesday at Rolando School at 8 p.m. Classes will be open three weeks for registration. For information call HO 9-8358 or HO 9-8502.

Regular club dances are held at Spring Valley Jr. High (Conrad Street of Campo Rd.) on first third and fifth Saturdays from 8 to 11 p.m. with "Wild Bill" Keller calling.

New officers for Frontier Squares were recently installed. They are Ray Landis, president; Dan Boone, vice-president; Dotty Garrett, secretary; Ruth Meier, treasurer; Gene and Dotty Cole, refreshments; Pete and Jo Ann Nelson and Bob and Sylvia Englestad, San Diego Assoc. representatives; Bud and Mary Crane and Inez and Herold Eberwein, Heartland Federation representatives.

GADABOUTS

Peg Carter, round dancer and Gary Norum, instructor-caller, of San Bernardino were among 158 who took part in a spaghetti dinner-square dance given by the Gadabouts Sunday at the Woman's Club Clubhouse.

Regular dances are held on Monday night at the Youth Cen-

mittee that his platform will include full support of the California Water Plan, and other programs to increase our county's water supply. He said the failure of the last legislature to enact any water program indicates the need for concentrated legislative work for full development of our water resources.

In the field of education, Shearer said that the recent Soviet scientific achievements indicate a need for a careful evaluation of our present educational programs. "Mere spending of money alone is not an answer to Soviet achievement," he said, "because money sometimes buys only quantity and does not always buy quality."

Shearer also stressed fiscal responsibility. He said that State officials charged with drawing up California's budget have predicted a State deficit next year of \$131,000,000. California legislators are going to have to start saying "No" to spending schemes or this State will be bankrupt, he said.

Shearer said he considers the present Assemblyman inadequate to represent the district. "I am running to give our district representation," he said. "The incumbent's accomplishments are primarily in the field of publicity instead of good bills enacted into law."

Shearer lives at 8705 Jefferson, La Mesa. He is married, a native Californian, and a graduate of Grossmont Union High School and San Diego State College. He served in 1953 and 1955-56 as secretary to Congressman James B. Utt of Orange and San Diego Counties. Shearer is a veteran, having served in the Army.

In his campaign in 1956, Shearer polled 39,747 votes against the incumbent. He is active in the American Legion, serving on the board of directors of La Mesa Post 282, and was a delegate to the department convention last year. He and his wife are members of the La Mesa United Presbyterian Church.

ter and party night is every fourth Monday.

Beginners classes are at 6; advanced are at 7:30.

LEVIS AND LACES

Levis and Laces will hold their Valentine Dance on February 1 at the Lemon Grove Woman's Club. The time is from 8 to 11, with prizes, guest callers, and fun for all.

Regular dance nite is Wednesday from 8 to 10, and party nite the first Saturday of the month.

A meeting of the board is set for Tuesday at 7:30 at the home of Bob Weeks.

HUFF 'N' PUFFERS

Plans are under way by the Huff 'N' Puffers for and eighth

anniversary celebration, to be held February 7. A special program will be presented, with all the Heartland clubs and callers invited.

This Friday night the club will have a potluck supper and dance, with Huff 'N' Puffers intermediate class as guests.

Frank Dyson was club caller recently. Guest callers were Al Rider and Fay Miller. The hosts and hostesses for the evening were Homer and Lucille Armstrong and Al and Bernice Rider.

The guest list included Bob and Jean Shaw, Vic and Lois Gabel, Bob and Norma Morgan and Faith Milner.

PROMENADERS

Officers of the Promenaders

Square Dance Club say the club has a dance every Wednesday night and that everyone is invited.

Host and hostess of the evening were Bob and Dot Bradford. The guest list included Henry and Sylvia Wilson, Bill and Betty Neuner, Ralph and Mary Kock, Bob and Virginia Dennington, and Floyd and Roma Bryant.

The door prize was won by Alberta Sarrant. Hot dogs and coffee were served.

Mrs. Root Buys Real Ice Cream Co.

Mrs. Dee K. Root, of the Mobile Manor Trailer Court, has taken over the Real Ice Cream firm at 3435 Imperial Avenue near the Grove Theatre.

Mrs. Root purchased the firm on January 8.

Prior to that she had been in the missionary field with the Light of the World Mission of the Pentecostal Church working mostly with Boulevard Indians and Mexicans.

Real Ice Cream, she said, would continue to handle 20 flavors of ice cream, malts, sundaes, root beer floats and 7-Up fizzes. The store will be open daily except Monday, she said.

**"BUDGET MEALS WITH
A GOURMET FINISH"**
Mary Morgan

Food Basket Home Economist

With an ever-watchful eye turned to the meat items for which such a big part of our weekly food budget is spent, both the turkey and ham this week offer big values at a small price. It is gratifying to know that with either choice, the savings last over a large number of meals. Ham presents a wide choice of dishes even after the initial baking or those first crisp pan fried slices with "red-eye" gravy. Several meals later it is just as good in a tasty Jambalaya. And a turkey bought now can be used in part and the remainder frozen to be baked or barbecued at some later date. Remember, with both of these meats the plentiful winter pears which are at their best now, can be harmoniously teamed, either baked, spiced or pickled, and those big chunks of yellow squash are perfect accompaniments brought steaming from the oven oozing with brown sugar and butter.

This week's Recipe of the Week is a special one for a very special occasion. With the Grand Opening of the El Cajon Food Basket in full swing, we offer by way of celebration, a recipe which might well be the highlight of your next dinner party. Our Souffle Pie is one of those lighter-than-air delicacies, unbelievably concocted of soda crackers, dates and nuts, in a high lemon-flavored meringue. Pick up your copy at the turnstiles. It will add the grand finale to your next company dinner, or put the final flourish on an every-day family meal!

What's Doing At Mt. Miguel

by Mary Conlee

Last Monday the students were dismissed from school while the teachers put the semester grades on the report cards. The cards were mailed to the students. On their day off the students had various amusements. Some went to the show, others played sports like basketball, or golf, and some just rested or did homework.

—Mount Miguel—

The Mt. Miguel basketball team was defeated Friday night by the Helix team 74-62. However, the Matadors played a superior game of ball with Darrel Rathje scoring 30 points for Miguel. Mt. Miguel tackled Sweetwater this Friday at 7:00 in the Sweetwater gym.

—Mount Miguel—

The Mt. Miguel nominating convention is shaping up with many good candidates running for office. The convention, to be held all day February 7, will name two candidates for each ASB office, eliminating primary elections.

The following students have declared their candidacy: President, John Conlee, Jerry Lipscomb. Vice president, Mike Randall, Mary Beth Stegman. Secretary, Kathy Dietrich, Anna Harlan, Louetta Runge. Commissioner of finance, Ronald Carlsen, Diane Hagen, Marilyn Schiller, Judy Stong, Bunny Wrede. Commissioner of cultural affairs, Betty Cleverger, Toni Moreno, Kitch Bertram, Doree Radici. Commissioner of publicity, Larry Johnson, Paul Mitchell, Jack Ralston, Ralston, Judy Tweed. Commissioner of school service, Judy Baisley, Marge Kreyling, Jeanette Lowe, Peg Nelson, Tony Peters. Commissioner of athletics, George Matthews, Bill Mitchell, Fred Johanson.

WED—Miss Pamela Sue Peterson became the bride of Roland James Farle, at 2 o'clock Sunday afternoon, January 19 at College Lutheran Church in San Diego. The bride is the daughter of Mr. and Mrs. Harold Reeves of Cedar Rapids, Iowa. The groom is the son of Mr. and Mrs. John Farle. The bride was given away by Mr. James Raymon and her sister, Prudence attended as matron of honor. Best man was John Robert Farle, brother of the groom. James Allen and Thomas Brown served as ushers. Open house was held by the groom's parents, followed by a dinner for 40 guests at Michael's in Lemon Grove. The newlyweds left for a honeymoon in San Francisco and will reside in San Diego. —Tappy Foto

Los Lugareños Plan Valentine Dance

"Hearts and Flowers" will be the theme for an early celebration of St. Valentine's Day when Los Lugareños hold their annual Valentine's dance on Saturday, February 1 at Casper's Ranch Club in El Cajon. Members and their guests who will be invited will dance to the music of Sam Kuchlan and his orchestra. The committee for this dance are: Messrs. and Mrs. John Culver, chairman; Arnett Spears, Bidd Graham, Joe White, Ralph Clark, Bud Shugard and Jerry Howell.

Local Folk May Enter Dog Show

Many dog breeders in the Spring Valley-Lemon Grove area are preparing their dogs for showing and are working toward the success of the Silver Bay Kennel Club's All Breed and Obedience trial and Dog Show. The show is scheduled to open in the Electric Building, Balboa park, February 16.

THAT'S HOW MILK SHOULD TASTE!

Qualitee is San Diego County's own
BONUS milk. It tastes so fresh
because it IS!

At your neighborhood food market,
or from your Qualitee milkman...
It's always the same fine quality,
always has the same FRESH taste.

Resolution of Intention re the
Authorization of Lease
Property by the Lemon Grove
School District to the County
of San Diego
On motion of Member Brown, seconded by Member Armstrong, the following resolution is adopted:
WHEREAS, the County of San Diego has requested a lease of the hereinafter described property upon terms satisfactory to this Board, said property belonging to the Lemon Grove School District and being described as follows:
Lots 198, 200, 201 and 202 of Hillsdale Subdivision, located in the County of San Diego, State of California, according to Map thereof on file in the office of the County Recorder of San Diego County;
and
WHEREAS, possession of said school property is not to be at any time during the term of said proposed lease be needed for school classroom purposes;
NOW THEREFORE
BE IT RESOLVED, pursuant to Sections 18661 through 18664 of the Education Code that a lease of the above described property belonging to this District, be and it is hereby resolved that the County of San Diego, under the following terms and conditions:
1. The leased premises shall be used for park and recreational purposes only.
2. The term of said lease shall be for ten (10) years, commencing March 1, 1958 and terminating February 29, 1968.
3. As consideration for the use and occupancy of said premises the County of San Diego will pay to the Lemon Grove School District the sum of one dollar (\$1.00) payable to the Clerk of the Governing Board of said School District.
4. The County of San Diego shall not sublet or any part of said premises without the consent in writing of the Lemon Grove School District.
5. The County of San Diego shall be responsible for all utilities, including water, on the leased premises.
6. The Lemon Grove School District shall assume no liability for any use of the premises by the County of San Diego.
BE IT FURTHER RESOLVED that the Clerk of this Board be and it is hereby authorized to execute and publish this resolution in the Lemon Grove Review, a newspaper of general circulation in this District, once a week for three successive weeks prior to the execution of said lease by this Board.
PASSED AND ADOPTED by the Governing Board of the Lemon Grove School District of the County of San Diego, California, this 13th day of January, 1958, by the unanimous vote of all of the members elected or appointed to the Board.

Awards Given At Cub Pack 399 Meet

Cub Scout Pack 399 has scheduled an adult training course for three weeks on Wednesdays at the Monterey Heights starting February 5.

All parents interested in Cub Scouting are urged to attend. Meetings start at 7:30 and are over in two hours.

At the regular Pack 399 meeting last week, Kenny Combs, cubmaster, entertained with a laughing game. Den 7, Lois Rosemary, denmother, presented the flag; Den 6, Janet Sauer, den mother presented a one-reeler "Is There a Doctor in the House?" The plot was good but the patient failed to make it.

Promotions and awards were as follows:

Bobcats, John Conroy; Bear, Steve Rosemary; Lion, Ronald Anderson; Gold and silver ar-

rows, Curtis Taylor, Michael Webb and David Edell; Gold arrows, Al Woodward and Millard Kreger, Jimmy Mansfield, Bruce Antone, Denny Trinker, Charles Blackburn, Ronnie Haas and Billy Mansfield.

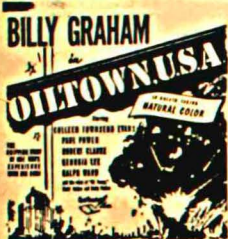

One year pins, Michael Lipscomb and William Sauer; two year pins, Bruce Keyes and Kenny Major. Mrs. Gayle Mansfield was awarded a two-year Den Mother's pin.

FAT CAN GO

Pay as you go classes in Figure Control from 9 to 9:30 a.m. on Mondays are now being given by the Young Women's Christian Association at Seminole Center, 4848 Seminole Drive, with qualified YWCA staff instruction.

There are now waiting lists for bridge and golf classes, but new registrations will be accepted as vacancies occur.

GREAT YOUTH RALLY

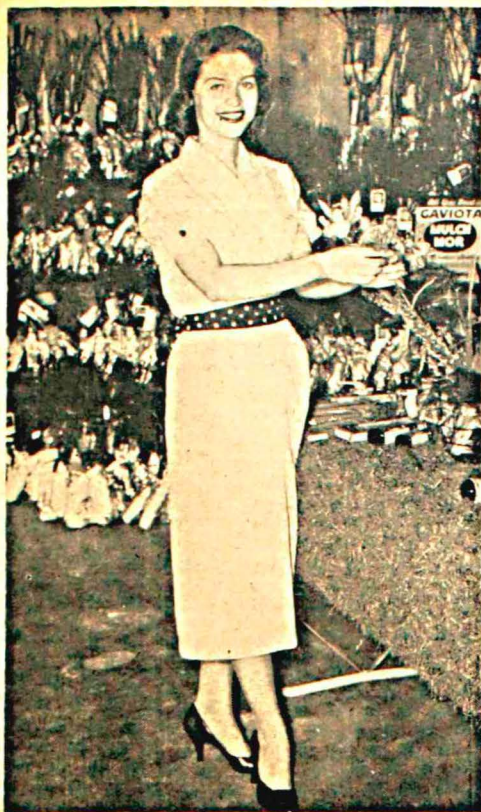

SUNDAY

FEBRUARY 2nd
7:00 P.M.

To Attend

SKYLINE WESLEYAN
METHODIST CHURCH
1345 Skyline Drive, Lemon Grove

PRETTY SHOPPER — Mason Feed and Garden Center, at 8280 Broadway, boasts a new look. The new look stems from a complete remodeling job just completed by the firm's owner, Channing P. Mason.

To lend a smiling prettiness to the whole picture is Sharon Mueller, Miss Lemon Grove, who is visiting the store to help with the remodeling celebration.

Included in the remodeling are such things as a pine paneled garden room, an enlarged nursery section, a power mower section and a plant food and seed department.

The outside of the building has been repainted and work will start soon on green house. Mason said a wide variety of bush, climbing, Floribunda and Polyantha rose bushes both patented and younger June bud roses. There are dozens of varieties of Camellias and Azaleas, and bedding plants and shrubs of all kinds. Most varieties of fruit trees such as apple, plum, apricot, citrus and avocado are also stocked.

The store will continue to handle Purina and Ace Hi poultry and livestock feeds, hay, grain and allied supplies, Mason said.

He said a photo-feature of the newly remodeled store is scheduled to appear in a national garden supply magazine soon. — Tappy Foto

SON OF LOCAL MAN TO DO EVANGELISTIC ASSIGNMENT IN INDIA

New York (Spcl) — The Rev. and Mrs. Gerhard T. Johnson, persons who will be commissioned missionaries or deaconesses of the Methodist Church January 17 at Buck Hill Falls, Pa. Mr. Johnson, son of L. G.

Johnson, 7936 Broadway, Lemon Grove, and his wife, are going to India to do evangelistic work. Mr. Johnson is pastor of the Hillsboro and Waynestown Methodist churches.

The commissioning service will be the climax of the annual meeting of the Board of Missions of the Methodist Church. More than 600 persons from the United States and countries overseas are expected to witness the ceremony.

Baby Shower Given For Mrs. McLaughlin

Friends of Rosemary McLaughlin, wife of Lemon Grove dentist, Dr. Dennis McLaughlin, of 7520 Roosevelt Street, attended a baby shower Monday at the home of Dr. and Mrs. Basil Maloney, 4490 Alamo Way.

Of the nine who attended, seven brought blankets.

In addition to the hostess and the expectant mother were: Mmes. Alec Antonette, Art Chapelle, Don Johnson, Harold Weinberger, Vernon Officer, Jerry Walter, R. J. Pekin, Max Goodwin and John Scheidtzel.

The McLaughlin baby boy will be born February 16 at 10:30 a.m. according to this newspaper's calculation.

4-H NEW OFFICERS LISTED

Lemon Grove 4-H Club meeting was held under new 1958 officers at the Spring Valley Clubhouse.

A field day in February has been planned. A dance is being held Saturday.

New officers are: Sheila Cosby, president; Mike Jacquith, vice president; Dave Blankenship, secretary; Ann Mathewson, treasurer; Mike Knapp, reporter, and Mike Cosby, recreation.

SHAARU COURT LADIES SET CARD PARTY

Shaaru Court, Ladies Oriental Shrine of North America will hold its annual card party February 6 in Balboa Park in the Veteran's Memorial Building.

A style show, candy sale and bazaar will make up part of the program. Reservation may be made via Louise Reynolds at HO 9-8484, or Anna Scott HO 6-4335.

Constructive criticism is a kick in the pants with a soft felt shoe.

Youth Rally At Skyline Church

To Feature Music And Movies

A District Rally for Wesleyan Youth is being conducted this week at Skyline Wesleyan Methodist Church on Thursday at 7 p.m. in connection with National Youth Week.

Pastor Derric Johnson reports the use of the National Denomination theme "Ready" for the local convocation. Special "youth emphasis" meetings, being held all week long, are spiced with unusual readings, wonderful singers, and outstanding instrumentalists as well as good speakers.

The subject for the meeting is "Ready to Be" and features the King's Envoys Male Quartet from Azusa College. Over 100 teenagers will be present at 7 p.m. to enjoy the harmonies of this quartet and to hear the message brought by David Spisak who is president of the "Men of Miguel", the Boy's Federation at Mt. Miguel High School, and an outstanding leader of the young people at Skyline Wesleyan Methodist Church.

Friday night's topic is "Ready to Give" and features the music of Don Grant, a great trombonist who is nationally known for his choral arrangements of well known Gospel songs and hymns. A group of nine talented teenagers from Whittier, California, will also be rendering special music.

"Oiltown, U.S.A.", famed Billy Graham film will be shown on Sunday night at 7 p.m. in the big closing rally of Youth Week. Evangelist Graham amazed the entertainment and religious worlds

when he produced the world's first Christian western film "Mr. Texas". More than 5,000,000 persons saw the film in its first two years of showings, and the Graham organization reported that 135,000 persons made "decisions for Christ" through the ministry of the picture.

All the services for the rest of this week at Skyline Methodist Church, 1345 Skyline Dr. in Lemon Grove, start at 7 p.m. The public, adults as well as young people, is cordially invited to attend every meeting.

☆ A place for everything, and everything in its place.

AAUW TO USE CLUBHOUSE FOR ART STUDIO

The San Diego Chapter of the American Association of University Women are providing a studio at its clubhouse, Fourth and Juniper Streets, for group instruction in art.

Registration will be taken from both beginners and advanced students on or after that date for instructions in painting, watercolor or other media chosen.

Classes will be held with David Hough in charge, each Wednesday from 10 to 1. Credit may be received for the course from the San Diego Adult Education Center which supports the program.

GROWTH OF HOSPITAL TOLD AS CAPACITY IS REACHED

by H. A. Thomas

"To the hospital? That's the last place I want to go." A common expression . . . you hear it every day . . . But . . . when a person has to go to a hospital he wants the best and so do his folks.

A tour of our own Grossmont Hospital will convince you that we have one of the finest. The very latest of everything needed by a hospital is installed in Grossmont, even to oxygen being piped to all the rooms. It even has its own shop with skilled mechanics to do any repair work or assembling needed.

But a recent report from the hospital showed that it was running to capacity as far as patients are concerned . . . every bed taken.

With so many new people moving into the area we are continually being asked about hospital facilities here. Louis M. Peelyon, administrator of Grossmont Hospital, who has planned and supervised the construction of several hospitals, including Grossmont and the Childrens Hospital in San Diego, gives a brief outline about Grossmont:

In 1947 a group of people met to decide on the needs in an area with a population of about 65,000 persons, now known as the Grossmont Hospital District Area. 750 MILES

Boundaries of the proposed district were approved in August 1951, including nearly 730 square miles, extending from 70th Street southwest through Campo, east paralleling the Mexican border, north through the Cleveland National Forest and the mountain areas.

In January 1952 voters approved the formation of the Hospital District and the County Board of Supervisors appointed the first Board of Directors which met February 27, 1952.

The architectural firm of Perler and Luckman, assisted by L. M. Peelyon started plans for the present hospital with proposed additions and future programming of the hospital district.

August 1953, because of top priority, federal and state funds were allocated to build the hospital. In order to accept the funds voters on October 27, 1953, by an 8 to 1 margin, approved an \$800,000 bond issue, payable in 20 years, as the community share of the cost of construction.

Then it was reported that the area population had increased to over 95,000 people.

Work on the hospital started in April 1954 and was completed to receive patients August 15, 1955. Then the Board of Directors, in presenting its program to the people, said they would provide a class "A" hospital at the lowest possible construction cost and to operate the hospital as nearly and as quickly as possible on a break-even basis. (Peelyon said that promise has been kept).

In 1953-54 an assessment of 20 cents per \$100 assessed valuation was levied by the Board of Directors to establish a maintenance and operating fund.

ASSESSMENTS

In 1954-55, after the approval of the bond issue, 9 cents was assessed for maintenance and operation, and 11 cents was established for payment of principal and interest bonds. In 1955-56, 14 cents for maintenance and 6 cents levied for payment of bonds. (The 20 cents that could be assessed for maintenance never occurred.)

In 1956-57, 6 cents was assessed for maintenance and operation and 4 cents to bond retirement. For 1957-58 the hospital has reduced its maintenance and operation tax to zero. About 5 cents will be assessed by the County Treasurer for bond retirement. Since July 1957, the hospital has returned over \$30,000 in discounts to the residents of the Grossmont Hospital District.

The hospital maintains a two bedroom rate equal to, or less than, the major hospitals of San Diego County. The two bedroom rate of \$20 is below average, and with the rate differential of \$2 per day, the cost is reduced to district residents to \$18 per day.

Total construction cost for the hospital was \$16,235 per bed. The low cost has been recognized throughout the world. Average cost in the U. S. is \$22,000 per bed and in some cases as high as \$35,000.

Careful planning effected considerable saving in original budget estimates. Some \$172,000 of the original bond money still remains in the fund for expansion purposes. The voters of the district have authorized expenditure of \$437,500 from the original maintenance and operation accounts (if needed) in proposed expansion.

Though a hospital is built for humanitarian purposes, it is a potent economic factor in the development of a community. The hospital industry is the fifth largest in the United States and if the growth continues, it is expected to pass car production.

260 EMPLOYEES
Grossmont Hospital started with 181 employees and a bi-weekly payroll of \$18,600. It now has 260 employees and a bi-weekly payroll of \$32,000. The medical staff has grown from 388 to 499. And there are several dental surgeons on the staff.

In the first month of operation 388 patients were admitted, 73 babies born and 177 surgeries performed. Some 700 to 800 patients per month are now cared for, 150 babies born per month and some 300 surgeries (per month) are performed. Emergencies are about 400 to 500.

Financial growth has increased from an operation of \$70,000 to over \$120,000 per month. Some 70 per cent of the costs of hospitalization are in salaries, 25 per cent on a local basis for food, supplies, equipment, etc. The remaining 5 per cent is in insurance, depreciation, cost of equipment and replacing of used items.

18,000 CUSTOMERS
Grossmont Hospital is one of the largest industries in the district, having treated some 18,000 persons in the past two and a half years.

The Grossmont Hospital District is again one of the three top priority areas of the state for authorized bed needs. A conservative estimate of the district's population is 130,000 and could probably run as high as 150,000. This creates a problem of maintaining service with a minimum of beds at the hospital.

It is hoped that this year will bring assistance through federal and state agencies, to the funds now in the treasury for addition of over 100 beds to the present facility. Grossmont Hospital has plans to be a 250 bed institution.

It is thought that within a few years another unit the size of Grossmont Hospital will be needed in the area. The location of this second unit would depend on population growth centers and area of greatest demand.

It has been the aim of hospital officials to provide the best care at the lowest cost, although it is a known fact that costs are increasing. To help this problem, programs are envisioned where low cost, long term care units may be built to provide care at a lower per diem cost than those of an acute general unit. It is hoped a program of home nursing care will soon be realized, to provide the chronically ill with minimum per diem cost with adequate medical and nursing supervision.

STUDENTS' TRIPS

The hospital has a coordinating program with the school districts in which the fifth and sixth grade classes are given conducted tours and actual demonstrations in laboratory and X-ray procedures. Thus the students understand that a hospital is provided for their safety and comfort.

Grossmont Hospital also conducts research programs in many of its departments. A licensed Vocational Nurses School has been recently established and is accepting applicants for its second class. Medical doctors will

Seven Area Babies Born At Grossmont

There were forty-six births at Grossmont Hospital January 7 through January 16, with seven of these being from the Lemon Grove-Spring Valley area and two to parents who formerly lived in Lemon Grove.

On January 10, a daughter, weighing 5 pounds and 13 ounces was born to Mr. and Mrs. Donald Dwayne Flury of 7950 Nichols Street, Lemon Grove; January 12 twin sons were born to Mr. and Mrs. Bernard Thomas Seller of 1998 Calle Entre, Lemon Grove, one boy weighing 3 pounds, 12½

be offered residency training programs and internship. Perhaps a registered nurses school will be established in the not too far future. And an important group of women are giving freely of their time; the Grossmont Women's Auxiliary. They have been doing a wonderful job in serving and understanding the hospital's needs and responsibilities.

Peelyon points out that regardless of the facts that the hospital, at times, operates on a full capacity schedule or that a resident of the area is in financial difficulties, he will receive care and the problems taken care of later. The main concern of the Grossmont Hospital staff is your health.

In conclusion, Peelyon says that it is hoped that all persons in the district will understand and feel free to know their hospital and to likewise assist by their wholehearted support.

ounces and the other 2 pounds 9½ ounces.

January 13, a son weighing 7 pounds, 1½ ounces, was born to Mr. and Mrs. Nels Martin Knudsen of 8803 Kenwood Drive, Spring Valley; January 14, a son weighing 8 pounds, 1½ ounces, was born to Mr. and Mrs. Aron Blaine Vance of 3853 Kenwood Drive, Spring Valley.

January 15, a son weighing 9 pounds, 5½ ounces, was born to Mr. and Mrs. Edward Wiley Bolieu of 8115 Alton Drive, Lemon Grove; January 16, a son weighing 6 pounds, 11½ ounces, was born to Mr. and Mrs. James Frances Maloney of 1947 La Corta, Lemon Grove.

Twin girls, one weighing 3 pounds, 15½ ounces and the other 3 pounds, 12 ounces were born to Mr. and Mrs. Billy Lynn Grove on January 12. The Groves, now living in Lakeside, are former Lemon Grove people. The paternal grandparents live on Mount Vernon Street.

The Dimmer View

(Continued)

friend otherwise Hendricks would not have trusted him with equipment so valuable. Only trouble, Paul can't remember which good friend it was.

Says Paul wryly this week, "I have to have them back to lend to a good neighbor who needs them."

We had a pleasant dinner the other night with the Reverend Donald B. Cooke and his wife, he being the ecclesiastical head of Lemon Grove Methodists.

We fell to discussing forces which rule the world. The Reverend Cooke and I agreed that the peace of the world can be tied to ether best by strong lines of communication. This we proceeded to prove to each other.

He said we fall, too often, to admit being pleased because of our inability to communicate, or put this feeling into words. Thus, the deer, who might continue to do this pleasant thing, loses heart when he feels he has been operating in a non-co-operative vacuum.

I told of a gimmick we started in the Kiwanis Club not long ago in which I asked several of the members to join me in saying something uplifting at each club meeting. One of us as a sideline member, makes a pleasant remark about another member or a club project. This has brought a warmer fellowship and better understanding into the club, I think. The feeling was actually there, only no one would communicate it without prodding.

This cannot work as well if only the officers of the organization do it because they already have the duty as an obligation and it is expected of them. You would expect the editor of a newspaper to wave his arms for freedom of the press because that is his pursuit in life. If some quiet little housewife demands freedom of the press everyone is awed . . . and enthused.

You'd expect a service club officer to stand up and compliment a visitor, or a member who has done a worthy job, but when a non-officer member does it, the impact is greater.

You'd expect a preacher to stand up and sell the potency of religion but when the word comes from a secular member of the community it has a new force.

This, the Reverend Cooke and I agreed, is a power each of us has. Greater even than the world's leaders, if we could harness it properly.

It is simply a willingness to let another human being know it

More Milk Guzzled By San Diegans Says Dairy Council-Man

San Diego County's mounting civilian populace is drinking milk at a record setting pace, according to Hubert Miller, operator of Miller's Dairy in Lemon Grove and one of the spokesmen for the San Diego Milk Council.

Miller said the annual consumption in the county is 37.93 gallons per person, an increase of 2.8 per cent. That amounts to a little more than a gallon per person.

Miller said the Council had notified members through its chairman, Hugh Good, who lived in Lemon Grove at one time, that the per capita consumption and the percentage of increase exceeds that for:

1. The entire state.
2. The rest of Southern California.
3. Other marketing area in the state.

Comparisons, Good said, make allowances for increased civilian population; do not include military population; nor sales to the federal government. Figures are computed from State Department of Agriculture statistics and population estimates made by the State Department of Finance and are based on the fiscal years July 1, 1955 to June 30, 1957, inclusive.

Good partly attributes the San Diego County record to the promotional activities of the Milk Council since its organization in 1955. It was formed to stimulate the consumption of milk through a public information and consumer education program. The council is composed of about 120 producers of milk distributed in San Diego County.

Exec. Meeting Set For Palm P-TA

Mrs. Donald Lewis, assisted by Mrs. K. K. Little, Jr., and Mrs. A. R. Detrez, will be hostess to the Palm Avenue P-TA Executive Board meeting, at 7:30 p.m. Tuesday, Plans for the Palm Avenue Dedication will be discussed as well as a suggested plan for fund raising to complete this current P-TA budget. The Founder's Day Program will be completed and the nominating committee will present their proposed slate of officers to be given at the February meeting with election in March. Mr. Raymond Bierwirth is to be ratified as Palm Avenue P-TA representative to the Development Committee of the Lemon Grove Chamber of Commerce.

when we are pleased with something he says or does. There would be nothing false in our approbation. The feeling would be there in any event.

The missing ingredient is communication, and really, this is simpler than you think. Try it tonight on your family and see.

Good Garden Hygiene

Many people do not realize the importance of good garden hygiene. If you permit waste to accumulate in the form of debris, dead leaves or blossoms, you are providing hibernating places for insect life and fungus spores. It is highly important in the early spring to get rid of these danger spots.

Spraying

When you've finished cleaning up your garden, give the plants and shrubbery growing there a thorough spraying with a lime-sulphur oil emulsion. If you omit this preventive spray, you give the insect army an all-summer advantage. Now is the time when insect life is just "coming alive", young and tender and easy to kill. An oil emulsion breaks down the fertility of many insect eggs which would otherwise hatch. And lime-sulphur is a fungicide destroying many types of fungus diseases before they even become visible.

FUCHSIAS

When you prune Fuchsias, the same lime-sulphur oil emulsion spray will give them an effective clean-up and will be safe to use.

Last Call For Auto Tags

Tuesday should be a red letter day on your calendar . . . especially if you haven't acquired that little green sticker to attach to your license tags.

Tuesday at 5 p.m. is when a penalty will be added by the Department of Motor Vehicles.

Even if you haven't received your 1958 notice you will not be exempt because your last year's registration card is acceptable for getting you under the wire according to Rolland Douglass, manager of the Lemon Grove branch of the DMV at 7877 University Avenue.

According to Douglass, the branch will be open Saturday this week until noon, and until 5 p.m. other days except Sunday. Douglass said that telephone information will be given. The DMV number is HO 9-0117.

SDG&E Rate Hearing Set By CPUC

LOS ANGELES (Spel) — The opening public hearing on the applications of the San Diego Gas and Electric Company for increases in its gas, electric and steam rates was set today by the California Public Utilities Commission for March 3 in San Diego.

In applications filed last December 27, the company applied for authority to increase its gas rates to produce an additional \$6,470,000 or 16.7 per cent a year; its electric rates by 2,688,000 or 11.8 per cent annually and its steam rates by \$55,000 or 48.1 per cent a year to offset higher operating costs. The application for increased gas rates will be heard first, followed by the electric and steam applications in that order.

All persons wishing to present evidence were requested to advise the Commission on the first day of hearing as to when they will be ready to present their evidence and the estimated hearing time they will need. The company is scheduled to present its evidence in support of the increase on March 4. At later hearings Commission staff engineers and financial experts will present results of their independent investigation of the company's operations and earnings.

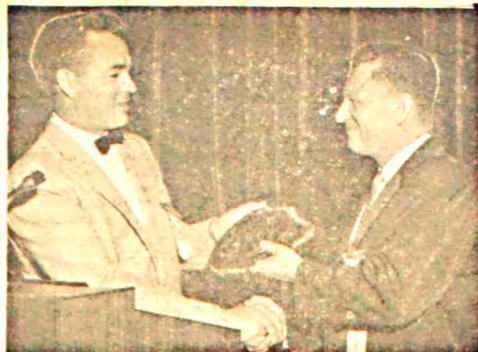

BEGONIA FANS TO MEET IN GROVE

San Miguel Begonia society will meet Wednesday Feb. 5th, in the Youth Center on School Lane, Lemon Grove, at 7:30.

Ray Purtee, president, will conduct the business meeting and Mrs. J. W. Lowrey, vice president, will introduce Gene Miller of Winter Gardens, who will talk on Camellias. Social hour will follow and interested people are always welcome.

☆ Man is worth 98c on the hoof; anything additional is up to the man.

— Tappy Foto

PUBLIC SERVICE — Dr. Calvin Nicholl, president of the Lemon Grove Lions club, and immediate past president of the San Diego County Optometric Society, presented a plaque on behalf of the society to District 4 of Lions International at the recent convention in San Diego. The plaque was given in recognition for "outstanding public service in the field of sight conservation." Above, Nicholl, at left, presents the award to Howard Cannon, of Las Vegas, chairman of the governor's Council of District 4.

Outline Given For Connecting Own Sewer

Residents of the Spring Valley Sanitation District have already started digging their ditches from the home to the trunk or collection lines in preparation to sewer connections as soon as the treatment plant is in operation.

Jean Vincenz, Director of Public Works for the county of San Diego, said last week that some 50 applications have been received for connections. However, he pointed out, schools and those homes which have no septic tanks or cess pools, will be given top priority.

Applications may be had by going to the County Building Inspector's office in the basement of the Civic Center.

Any person wishing to take the "Home Owner's" examination, that he might do part of the work prior to his sewer connection, may do so by applying to the Operation Center at Rosecrans Boulevard and Highway 101, in Old Town.

Examinations are held the first and third Wednesdays of each month, the next one to be February 5. The cost is \$5 for the examination, \$4 for the soil line permit, and \$2.50 for the connection fee. This examination only allows you to do the work on one house on your property, and that house you must live in. An affidavit must be signed to that effect.

A home owner may take only

Methodist Church Parsonage To Be Dedicated Sunday

The Lemon Grove Methodist Church will hold an open house and dedication for the newly completed parsonage, Sunday from 3 to 5 p.m. Dr. Maurice Ballenger, district superintendent of the San Diego District, will give the dedication service. Reverend and Mrs. Don Cooke will receive guests, the actual building committee will conduct a tour through the parsonage and refreshments will be served by a committee. The parsonage is located on the church property and the address is 3185 Washington.

LOMITA VILLAGE NOTES . . .

Dr. Terence Geddis, principal of Audubon Elementary, announces that the annual election of Student Council members has been re-scheduled and will take place Tuesday, Feb. 11th, while the installation of the new officers, originally scheduled for Jan. 31st, will be postponed until Feb. 14th, at which time the semi-annual awards will also be made. This new date also marks another red-letter day on the Audubon calendar—that of the Valentine Room parties.

The last week in January is one that the Sixth Graders have been eagerly looking forward to for months. This is the week for their camping in the Cuyamacas. There are 75 sixth graders from Audubon, who are joining sixth graders from Balboa Elementary. The staff of fifteen men and women in charge include Mr. MacGillivray and Mr. Grunloh of the Audubon faculty. The ratio of pupils to staff members is ten to one, so the parents may be sure their children are being well cared for.

On Friday this week the assembly for the 160 second graders is a safety program conducted by Officer Erquiga, Traffic Patrol Officer of the San Diego

Police Department. He will show cartoon-like films relating to traffic safety problems. Officer Erquiga is a familiar and friendly figure to kindergartners and first graders all over the city. He has won many warm friends among the small fry.

Dr. Falk To Speak At St. Philip's Monday

Dr. Charles John Falk, professor of education at San Diego State College, will speak at St. Philip's Episcopal Church, Palm at Hardy, Lemon Grove, on Monday, at 7:30 p.m.

Dr. Falk is a world traveler who has been with the State Dept. and has set up educational programs in backward countries. He has a wide knowledge of religions of the world, and will show colored slides of the areas in which he has been active.

Everyone interested is invited and urged to attend the talk to be given by this gifted gentleman. There is no charge. The evening is given under the auspices of the Woman's Assembly of the Church.
